

Honda SENSING 360 and SENSING Elite

by [Nick Clark](#) | Published April 25, 2026

Honda SENSING Reality

Honda SENSING 360 operates global ADAS deployment; Honda SENSING Elite L3 operates Japan-certified limited L3 in Honda Legend (one of three certified L3 systems globally).

Emerging Trajectory

Honda's emerging L3+ trajectory requires architectural substrate for cross-jurisdiction certification.

Architectural Substrate

Stage-gated commitment maps to L2+/L3 transitions.

Honda Position

Honda gains cross-jurisdiction architectural substrate.
