

Johnson & Johnson Ottawa (Verb Surgical) Surgical Robotics

by [Nick Clark](#) | Published April 25, 2026

Ottava Reality

J&J Ottawa (Verb Surgical) operates emerging surgical-robotics platform with planned commercial deployment.

Emerging Deployment

Emerging FDA PCCP-class engagement requires architectural substrate.

Architectural Fit

Stage-gated commitment supports the autonomy trajectory structurally.

J&J Position

J&J gains architectural substrate aligned with FDA regulatory direction.
