

# Claroty xDome OT Security Lacks Cross-Vendor Fleet-Health

by [Nick Clark](#) | Published April 25, 2026

## Claroty Reality

Claroty xDome operates OT and healthcare-cybersecurity platform across industrial and hospital customers.

## Fleet-Health Substrate

Claroty's monitoring contributes credentialed fleet-health observations; cross-vendor and cross-customer composition extends substrate.

## Claroty Position

Claroty gains cross-vendor fleet-health substrate.
