

Nozomi Networks Lacks Cross-Vendor Fleet-Health Substrate

by [Nick Clark](#) | Published April 25, 2026

Nozomi Reality

Nozomi Networks operates OT and ICS cybersecurity platform across industrial and critical-infrastructure customers.

Fleet-Health Substrate

Nozomi's monitoring contributes credentialed fleet-health observations; cross-vendor composition extends substrate.

Nozomi Position

Nozomi gains cross-vendor fleet-health substrate.
