

# Tenable OT Security Lacks Cross-Vendor Fleet-Health Substrate

by [Nick Clark](#) | Published April 25, 2026

## Tenable Reality

Tenable OT Security operates as commercial OT-cybersecurity platform across industrial customers.

## Fleet-Health Substrate

Tenable's OT-monitoring contributes credentialed fleet-health observations; cross-vendor composition extends substrate.

## Tenable Position

Tenable gains cross-vendor fleet-health architectural substrate.
