

# AeroVironment Switchblade and Defense Drones

by [Nick Clark](#) | Published April 25, 2026

## AeroVironment Reality

AeroVironment operates Switchblade 300/600 loitering munitions, Puma RQ-20 reconnaissance, and emerging product lines with substantial U.S. and coalition customer engagement.

## Operator-Intent Substrate

LAWS-class operations admit through credentialed operator-intent.

## AeroVironment Position

AeroVironment gains LAWS-aligned architectural substrate.
