

Anduril Bolt and Lattice-Connected Drones

by [Nick Clark](#) | Published April 25, 2026

Anduril Drone Reality

Anduril operates Bolt loitering munitions, ALTIUS launched effects, Roadrunner kinetic interceptor, and Fury fighter drone with Lattice command integration.

Operator-Intent Substrate

Operator intent admits through credentialed declarations; LAWS-class operations admit through composite admissibility.

Anduril Position

Anduril gains LAWS-aligned architectural substrate.
