

BAE Systems Defense Programs

by [Nick Clark](#) | Published April 25, 2026

BAE Reality

BAE Systems operates major defense programs including F-35 work-share, Typhoon, FCAS Tempest, M-Code GPS, and emerging digital-intelligence operations.

Mesh Substrate

BAE programs integrate as credentialed mesh participants; cross-coalition operations admit through declared federation.

BAE Position

BAE gains coalition-aligned architectural substrate.
